Re: Goodman Ball, Inc. v. Clear Water USA, Inc.
Case No. 3:07-cv-01148-BZ, U.S. District Court, California

Dear Sir or Madam:

I previously mailed my original Defendants' Motion to Withdraw as Counsel (with proposed Order included) along with a courtesy copy for Judge Zimmerman's chambers along with my letter of January 15, 2009, for filing. As I noted in that letter, I am not a member of the Bar of the State of California and do not have a login for your CM/ECF program so I could not file the original motion electronically. The motion is now docketed in the case.

Prior to filing my Motion to Withdraw as Counsel, I spoke with Judge Zimmerman's chambers and was told that I was not required to set a hearing on that motion at the time it was submitted for filing. However, since that time a hearing has been set by Judge, and that hearing theoretically could require me to be in attendance at the hearing in San Francisco on March 4, 2009 (Docket No. 86). Because I am not admitted to practice in California, and because travel to San Francisco would be extremely time consuming and expensive, I thought I should again bring to your attention, and that of Judge Zimmerman, the unusual predicament in which I find myself since my partner has been appointed a Bankruptcy Judge in Tampa, Florida.

It was my hope when I submitted the Motion to Withdraw that the Judge would enter the proposed Order without hearing, given that there is no one to object to my request. If a hearing is required, would it be possible to attend the hearing set on this motion by telephone? If you or the judge requires additional information or another filing, please contact me. Thank you for your attention to this request.

Sincerely yours,

Michael C. Addison
